About Me

A dedicated and detail-oriented Computer Engineering graduate with experience in customer service, programming, and information systems support. Skilled in problem-solving, communication, and teamwork, with hands-on experience in system development and computer applications. Eager to apply technical knowledge and grow in a professional environment.

Experience

Diploma in Information Technology Instructor 2025 – Present
37 CORDERO ST., CAPISTRANO SUBD., BGRY. ANGELES ZONE IV,
TAYABAS CITY

Delivered lectures and hands-on laboratory activities in Information Technology subjects, prepared instructional materials, assessed student performance, and guided students in developing technical and problem-solving skills.

Management Information System (MIS) Intern 2024
Lucban, Quezon

Completed on-the-job training in the MIS Department, contributing to the development and implementation of a QR code-based student enrollment system. Acquired practical experience in system analysis, software development, testing, database handling, and process optimization while supporting institutional IT operations and digital transformation initiatives.

BPO Sales Agent 2020 - 2023
BRGY. LITA PHASE 1, TAYABAS CITY

Experienced Sales Agent in a fast-paced BPO setting, skilled in inbound/outbound sales, exceeding targets, and delivering high customer satisfaction. Proficient in CRM tools, lead management, and consistently meeting KPIs.
